6. Mr. Allen, Chief Clerk of the Senate Armed Services Committee, informed me that Chairman Saltonstall had directed him to find out when certain members of the Committee were to receive a detailed briefing on CIA. The Chairman felt that this briefing should at present be by invitation of the DCI and be limited to himself, Senator Bridges and Senator Russell. It was felt that any attempt to go further down the Committee line might be embarrassing in view of the necessity from a practical standpoint for by-passing Senator Flanders.
